

# FULL STACK DEVELOPER INTERN

## Job Description

[jointhecan@greedygame.com](mailto:jointhecan@greedygame.com)

### ABOUT US:

GreedyGame is looking for a Full Stack Developer Intern to join the clan! The ideal candidate will have a strong foundation in web development, including proficiency in front-end and back-end technologies. You would work closely with other internal teams of young enthusiasts who are always upbeat and self-driven to achieve bigger milestones in shorter time spans. If you are passionate about technology, eager to learn, and ready to make an impact, apply now to join GreedyGame as a Full Stack Developer Intern.

### JOB DETAILS:

Industry: Marketing & Advertising  
Employment Type: Internship  
Job Functions: Full Stack Developer  
Job Location: Bengaluru  
Experience: 0-6 months

### DAY OF A FULL STACK DEVELOPER @ GG

- Assist in designing, developing, and maintaining web applications using front-end and back-end technologies.
- Collaborate with the development team to understand project requirements and contribute to the technical design process.
- Write clean, efficient, and maintainable code that follows industry best practices and coding standards.
- Conduct thorough testing and debugging of applications to ensure optimal performance and usability.
- Assist in integrating various third-party APIs and services into web applications.
- Participate in code reviews and provide constructive feedback to enhance the quality of the codebase.
- Stay up-to-date with emerging technologies and trends in web development and propose innovative solutions.
- Troubleshoot and resolve technical issues in existing applications and provide timely support to users.
- Document technical specifications, user guides, and other relevant documentation as needed.
- Collaborate with cross-functional teams, including designers, project managers, and quality assurance, to deliver high-quality software solutions.

### WHY IS GG THE BEST LAUNCHPAD FOR YOU CAREER?

- Cutting-edge technology exposure: GreedyGame offers a chance to work with the latest tools and technologies, providing invaluable experience for a Full Stack Developer.
- Real-world projects: As an intern, you'll have the opportunity to work on actual projects, gaining practical skills and enhancing your portfolio.
- Expert guidance and mentorship: GreedyGame provides guidance from experienced professionals, helping you grow and develop as a Full Stack Developer.

### REQUIREMENTS:

- A degree in Computer Science, Software Engineering, or a related field.
- Strong understanding of front-end web development technologies such as HTML, CSS, and JavaScript.
- Familiarity with front-end frameworks like React, React.JS, Angular.
- Knowledge of back-end development using languages like Python, Java, or Node.js.
- Experience with relational databases such as MySQL, PostgreSQL, or SQL Server.
- Understanding of RESTful APIs and experience in building and consuming APIs.
- Familiarity with version control systems like Git and code collaboration platforms like GitHub.
- Ability to work independently as well as in a team environment.
- Strong problem-solving and analytical skills.
- Excellent written and verbal communication skills.
- Ability to learn new technologies and programming languages quickly.
- Prior internship or project experience in web development is a plus.

### WHAT'S IN IT FOR YOU?

- An opportunity to be a part of a fast scaling start-up in the AdTech space that offers unmatched services and products.
- To work with a team of young enthusiasts who are always upbeat and self-driven to achieve bigger milestones in shorter time spans.
- A workspace that wide open as per open door policy at the company, is located in the happening center of Bangalore
- We believe a well fed stomach makes the mind work better and therefore we provide- free lunch with wide variety on all days of the week, a stocked up pantry to satiate your want for munchies , a Foosball table to burst stress, weekly team engagement activities to deepen the bond of clan and above all a great working environment.
- We believe that we grow as you grow. Once you are a part of our team, your growth also becomes essential to us and in order to make sure that happens, there are timely formal and informal feedback sessions.
